

KICKSTART AWARD INFORMATION SHEET

SEDA College's HSC Programs are delivered in partnership with high-profile sporting partners. While completing the HSC, students are also involved in community programs, major events, practical placement and other sporting industry experiences alongside their studies.

The SEDA College Kickstart Award is a bursary that seeks to support students who may not otherwise be able to attend the College.

This award is aimed at supporting the following students so that they can complete Year 11 and 12 and achieve their HSC at SEDA College NSW:

- Students of Aboriginal and Torres Strait Islander descent, and/or;
- Students from any background where one or both parents have not completed Year 12, and/or;
- Students who are economically disadvantaged.

In 2023, the Award provides bursaries for up to 3 fee-free positions (\$6,100 value per year) at the College. Successful applicants will receive the bursary for both Year 11 and Year 12.

Recipients of the SEDA College Kickstart Award will be young people who would like to complete Year 12, make a positive contribution to the College and act as an ambassador for the College to the wider community.

Kickstart Award bursaries are not tied to any particular sporting partner.

ABOUT THE APPLICANT

Successful applicants will demonstrate a commitment to the College's core values through a history of sporting involvement, community volunteering and/or academic accomplishments.

Applicants do not need to be elite athletes, and students with learning difficulties are encouraged to apply.

Students who are offered a Kickstart Award Bursary are expected to, and will be supported to, complete Year 12.

If a student does not complete Year 12 with SEDA College the bursary will be forfeited and may need to be repaid.

VALUE & INCLUSIONS

Kickstart Awards contribute towards a student's tuition to a value of \$6,100 per year (\$12,200 over two years). This amount currently covers all tuition payable for Years 11 and 12.

A \$200 offer acceptance fee is payable by all families on acceptance of a position at the College. This acceptance fee must also be paid by Kickstart Award recipients, unless other arrangements have been made with the Finance Team.

Included in a student's tuition are all mandatory excursions, textbooks, uniform, laptop and coaching qualifications. Please refer to our Fee Policy for a full list of inclusions.
